

2025 Spring Leaf Vac Dates

Leaf Pick-up Rules:

1. Place leaves in long skinny piles within 4' of curb
2. Do not place leaves near poles, mailboxes or other obstructions
3. Remove any vehicles, campers, trailers within 50' of leaves
4. Leaves are picked up on AVENUES only
5. Do not place any sticks, branches or other debris with leaves
6. Do not tarp or cover leaves on pick-up day
7. Keep leaves separate from normal sanitation pick-up

* Leaves are picked up with a vacuum boom with VERY limited reach. Leaves must be within 4 feet of the curb. If your leaves are left behind, there was a conflict with one of the above stated rules*
